

EasyPen M406W

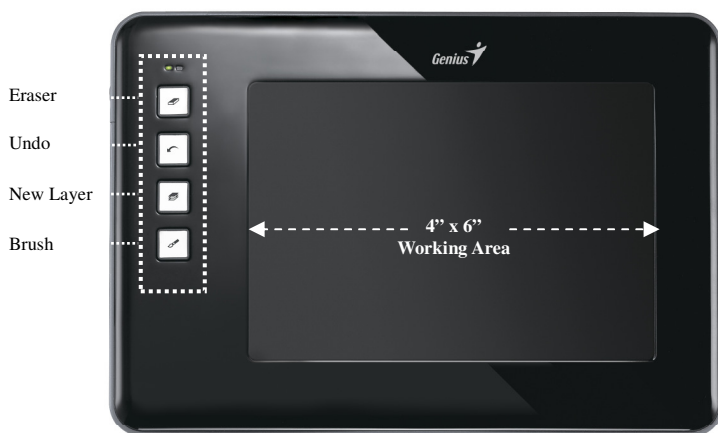

Wireless Multimedia Tablet for Boundless Creation

The EasyPen M406W is an elegant tablet from Genius that brings you a more enjoyable and flexible painting experience.

This 4" x 6" wireless tablet is one of a kind and stands out from all other traditional tablets because it can be used 10 meters away from your monitor if you're sitting on the couch. The lightweight battery-free cordless pen gives you intuitive control just like a real pen - draw, paint, sketch and sign easily. The high 2560 LPI is great for PC or Mac users. In addition, four express keys provide instant access to eraser, undo, new layer and brush functions.

To find out more about EasyPen M406W, contact your local salesperson.

Easy to charge the rechargeable battery.
